The mega-boobed *Big Brother* winner strips for *Nuts*!

Chaps, our fair nation's *Big Brother*-watching womenfolk deserve some credit. Normally, every year, they vote the fit female housemates off the show before they've even unpacked their flimsiest two-piece. Not this year, though! Against all the odds, Cheshire cutie Sophie Reade not only stayed in the house but went on to win the whole show, simply by being ruddy lovely. Now, after 13 weeks of straining to cover her enormous 30H boobs, here she is, setting them free just for *Nuts*. Ah, glorious freedom! ➡

"MY BOOBS HAVE GONE UP TO AN H!"

Hi Sophie! Congratulations on winning *Big Brother*! What was the first thing you did when you left the house? I went to the bar and got myself a decent drink! The whole time I was in the house, I really craved a nice, tall glass of Pimm's and lemonade, so I just went and got a couple of them. I ended up getting quite merry!

What did you miss most when you were in the house? I really missed my dogs – and there weren't many guys in there I liked, so I missed flirting and having sex. I had 13 weeks in that place without sex and by the end, it was killing me!

Did you have any, ahem, "alone time" while you were in there? I couldn't with those bloody guys in there! Anyway, it was impossible with the cameras on us all the time. If they'd switched them off for an hour, I would've had a field day.

Kris claimed he'd had sex with you in the house, but what actually happened? When I'd had a drink, I told Noirin we'd had sex so she'd tell me some good gossip. Then Kris jumped on that, making out that we had. It was just a bit of kissing and touching under the bed covers, so there was nothing for him to brag about really. ➡

It was what the bear would've wanted

"Why have you gone cross-eyed?"

"I ONCE HAD SEX

So you didn't have sex on TV, but where's the weirdest place you've done it? In a B&Q car park! It isn't very glamorous, is it? Me and this guy were on our way home after a night out, and you know when you're so horny you can't wait until you get home? I thought, "Come on, let's just do it now!"

Your boobs are huge. Have they grown since you went into the *Big Brother* house? Yeah. They were a GG when I went in but they've gone up to an H. They're massive, aren't they! It seemed that every time I looked down, they'd got bigger. I'd be so happy if they kept getting bigger – I want to have the biggest boobs in the world!

Cripes! Did you make a conscious decision not to get your boobs out while you were in the house? No. I was always getting them out when I was in the toilet and stuff.

Were there any close calls when they nearly slipped out of your top? There were a few times when my nipples popped out while I was sunbathing. My bikini tops only just cover my nipples, and Siavash and Rodrigo kept looking over and going, "Sophie, cover your boobs!" Did you not see them? You'll have to go back and watch it carefully!

We will! Do you find that people are generally obsessed with your boobs? Yeah, people always want to know what it feels like to have implants. So I just tell them to have a touch! In the *Big Brother* house, I used to grab Rodrigo's hand and stick it between my boobs. He used to motorboat me all the time in bed!

The jammy git! Which other *Nuts* babe would you like to do a shoot with? I know Danielle Lloyd and she's really nice, so I'd love to do a shoot with her. She has gorgeous boobs. I've seen them without her covering her nipples as well. If I had nipples like that, I'd show them off all the time! ➡

NA BEQ
CAR PARK!"

Suddenly, the camping trip was looking up

Have you kept your leotard from when you sang Beyoncé's *Single Ladies (Put A Ring On It)* in the house? No. I was a bit self-conscious wearing that. I had to keep asking everyone if they could see anything when I bent over. At one point, I had to open my legs and Lisa was like, "Let me have a look!"

Do you have any other sexy fancy-dress outfits at home? Yeah, I love dressing up. I went to a party as a Moulin Rouge girl once, wearing just knickers and nipple tassels!

Wow! Were you surprised you won *Big Brother*? Model types don't usually last very long in the house. Yeah. All along, everyone thought Charlie or Rodrigo would win. Then, towards the end, I thought Siavash might have a chance. Not once did I expect to win. I think when I went into the house, a lot of people stereotyped me. But I burped and messed around with the lads. I was just myself and I think people respected that. ➡

"I WANT TO BIGG

You waxed your eyebrows in the house. Do you prefer to be hairless? Yeah. Waxing my eyebrows was painful, though! Marcus waxed mine off in one go and they still haven't grown back properly. I thought I'd be able to draw them back on, but it's not that simple. I look like Ernie and Bert from *Sesame Street*! I do prefer to be waxed all over, though.

You're a single lady. If a *Nuts* reader saw you on a night out, what would he have to do to charm you? I'm just looking for a bloke who's nice and charming, will buy me a drink and make me laugh. I don't have a specific type. So come on, fellas, what are you waiting for?

You seemed to get drunk quite easily in the *Big Brother* house. Are you a bit of a lightweight? Let's just say I'm a girl with simple needs. Two cans of lager and I'm anyone's! I couldn't even stand up half the time I was in the house, and I had to be carried to bed most nights!

Blimey! What's your naughtiest drunken story? I have a tendency to strip off after I've had a few drinks! I'll wake up in bed with no clothes on and think, "Uh-oh… what on earth was I doing last night?"

What do you plan to spend your *Big Brother* prize money on? I've been thinking about having a boob job, but maybe that's greedy. As I said, I want to have the biggest boobs in the world… ever! My boobs are like my best friends. I just love boobs – I'm absolutely fascinated by them. I buy *Nuts* all the time just to look at girls' boobs!

Well, that's it for today, Soph. It's great to have you back. Have you missed doing sexy shoots? Yeah, I'm really excited! I've missed getting my make-up done and looking all glamorous. And it means I can get my boobs out again. They've been tucked away for far too long! ■

He was loath to point out there was a hosepipe ban

VALENTINE'S DAY

"I love Valentine's Day because it's romantic and the perfect excuse to buy some sexy new underwear. Next year, I'm going to buy an Agent Provocateur outfit. I doubt it'll stay on very long, though!"

FESTIVAL FUN

"I still haven't been to a festival but I plan to next year. My festival outfit will be sexy hotpants, wellies and a cowboy hat. But I won't flash my boobs like some girls do – I'll save that for the *Nuts* readers!"

MY BIRTHDAY

"Obviously, my birthday is one of the best days of the year! It's on 19 July. I was shooting my calendar on my birthday this year. You could say I was in my birthday suit!"

THE WORLD CUP

"I love the World Cup because everyone goes to the pub to watch the games and there's always a good atmosphere. But if I had to distract a bloke from the football, I'd run around the house naked!"

SUMMER HOLIDAYS

"I always sunbathe topless when I go on holiday, so I get a lovely all-over tan. If I could go on holiday with any girl, I'd choose Emma Glover – she has the best boobs in the whole world!"

HALLOWEEN

"I love getting dressed up for Halloween. One of my friends is having a party at her house this year, so we're already planning our costumes. I'm thinking of buying a figure-hugging PVC outfit and going as Catwoman. Maybe I'll send the pictures to *Nuts*!"

CHRISTMAS

"Christmas is one of my favourite times of the year but it's too cold in Britain, so I'd love to celebrate it somewhere hot. I have to be careful, though, because my boobs are always popping out when I wear a bikini. I wouldn't want to give the other holidaymakers a Christmas present!" ■
